The Fall Festival requires the performance of one memorized piece of literature for an adjudicator. **(Adult categories may use music.)** Performances are open to the public. This year, Fall Festival will celebrate music of the Contemporary Era (written post 1900). Please check dates for composers that are in question. No method book pieces will be allowed. Transcriptions and arrangements will not be allowed for the piano entries. E-mail Ellen Curtin if you have a question about a composer. No photocopies will be allowed. Each student must have his or her own original score.

Entrants have a time limit of five minutes. It is permissible to play two shorter pieces/movements as long as the five minute time limit is not exceeded.

Students will receive a ribbon, a certificate and a written evaluation with a rating. In addition, a student earns points toward a Fall Festival Award plaque engraved with his or her name and the year in which the award was received. A plaque is awarded each time twelve points are earned.

Please write clearly and be accurate in spellings. It is unlikely that special requests will be honored or changes in the schedule will be made after the schedule has been completed. Please notify Cynthia Duckworth of any cancellations in writing or by e-mail.

All entries and checks must be postmarked by September 3rd, 2008. No late entries will be accepted. The fee is \$15.00 per student and is non-refundable. Make one check payable to KCMTA for the number of student's times \$15.00 and mail it to Cynthia Duckworth with the completed enrollment and volunteer forms. **Enrollment is not complete until the fee is paid.** Packets will be available at the October meeting.
