What is New for 2012?

- This year's repertoire features music from across the country and around the world! We'll be featuring a travel/destination theme throughout the concerts, and incorporating fun and exciting media to complement the music. Selections include a variety of genres – there's something for everyone!
- Excerpts from each piece are available online to assist you and your students in selecting repertoire. A complete list is available at www.youtube.com/user/MultiPianoRep.
- This year's concerts will feature 16 grand pianos, so be sure to get your enrollments in early!

Please note an important change in this year's enrollment procedure: ALL enrollment forms and teacher volunteer forms must be mailed along with student contracts and payment. Forms will no longer be accepted via email.

Reminders:

- There is a minimum age requirement of 6 years old. Younger students performing on late elementary level pieces should be paired with an adult or advanced student at least 12 year old.

Concert Rehearsal Schedule:

- January 21, 2012 Toon Shop, Prairie Village
- February 11, 2012 The Lied Center, Lawrence, Kansas
