Reminders

- Students must be a minimum of 6 years old at the time of enrollment to participate in the concerts. Students performing at the elementary level **must be paired with an advanced student or adult.**
- KCMTA strongly recommends enrolling students at their present ability level or slightly below – please do not “stretch” your students.
- In the event a piece does not have sufficient enrollment, it will be removed from one concert.
- Enrollments will not be processed until a completed enrollment form, teacher volunteer form and payment have been received. Enrolling in the concert denotes the performer and teacher have agreed to the performer guidelines.
- Enrollment fees will not be refunded once an enrollment has been processed.
- Students and teachers **may not switch pieces** after the enrollment deadline. Any changes before the enrollment deadline must be communicated to Amy Pennington to see if there is still room in the concert for additional performers.
- In order for this event to be a success, all participating teachers must help. The number of shifts you are assigned will be proportionate to the number of students you have enrolled. Those with 10 or more students should plan on working two shifts. Ideally, these shifts will not overlap times you are performing.
